Dear Friend and Neighbor of Nativity School,

Nativity School seeks your support for an upcoming event. On Friday, December 9, 2022 Nativity School will hold its 10th Anniversary Carnival and Silent Auction.

Proceeds from this event are used to purchase materials which enhance and support the learning environment of the students at Nativity School via educational resource materials, books for the classrooms & library, building improvements and the replacement of or upgrades to our existing information technology. Of all of the worthy causes for which you are asked to support, please take a moment to consider a donation to our silent auction.

Nativity School is a Catholic School located on Folly Road, James Island which serves Pre-Kindergarten through 8th Grade children from the parishes of the Church of the Nativity, Holy Spirit, and Our Lady of Good Counsel, in addition to children from the surrounding community. The vision of Nativity School stands as the model of academic excellence, moral ideals, and spirituality for every family with a dream of a values-based education in the Catholic tradition. This can only be achieved with the support from fellow families, friends, neighbors and businesses from our community and beyond. We welcome you to learn more about our school and visit our website which is located at www.nativity-school.com.

Auction Donations

While gift certificates are the most common form of donation, any donation possible is most graciously accepted and appreciated. In addition to helping Nativity School and the surrounding community, your donation is a great opportunity to advertise your business, reach your clientele and attract new customers. Best of all, your donation is tax-deductible! Please find and complete the enclosed donation form and submit with your contribution, i.e. business cards, postcards, business contact info, etc. Please let one of us know and we will make certain this is placed with your item.

Thank you again for your consideration!

Enthusiastically,

Summer Turner
